I understand and have confirmed that this project for _____ is indeed a homegrown animal. I have verified that the doe is owned by the member and is on the farm premises and that the member has information regarding the buck used for the breeding services. I understand that I could be called upon to confirm any information at any time to the SLA Goat superintendent group. In the case of any misinformation, I understand that the member's animal could be disqualified for Homegrown Class Competition.

*In order for eligibility of Homegrown class, project guidelines must be reviewed by 4-H Leader, FFA Advisor or SLA Goat Superintendent. If your leader, advisor or superintendent is family relation, it must be confirmed by a non-family member. Form must be turned in **at registration** to be eligible for homegrown market class. Goats less than 50 pounds will NOT be eligible for homegrown market class.
